

ORDINANCE NO. 2875

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GARDEN GROVE
AMENDING CHAPTERS 6.04 AND 6.05 OF TITLE 6 OF THE GARDEN GROVE
MUNICIPAL CODE REGARDING ANIMAL REGULATIONS

City Attorney Summary

This Ordinance amends Chapters 6.04 and 6.05 of the Garden Grove Municipal Code pertaining to animal regulations. The new regulations in Chapter 6.04 are modeled substantially after the Orange County animal regulations, which have been previously enforced by the County pursuant to its contract with the City, which contract will expire at the end of 2016. The new regulations are being codified in the Garden Grove Municipal Code and will be enforced by City officers commencing in 2017. Various provisions of Chapter 6.05 are being amended to remove references to County offices and officials, replacing them with City offices and officials.

WHEREAS, the City has contracted with the County of Orange to enforce animal regulations since July 1982 and has adopted the County's regulations by reference; and

WHEREAS, the City's contract with the County will be terminated as of December 31, 2016 and the City will thereafter enforce animal regulations in the City through its own program and personnel; and

WHEREAS, it is necessary to replace the codification of the County Ordinances by reference and replace them with local regulations.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GARDEN GROVE
HEREBY ORDAINS AS FOLLOWS:

SECTION 1: Chapter 6.04 of Title 6 of the Garden Grove Municipal Code is hereby revised in its entirety to read as follows:

A. Dog vaccination required. Every person owning or harboring a dog 4 months of age or older, for 15 days or more, shall, if not currently

vaccinated; have such dog vaccinated against rabies by a licensed veterinarian with a vaccine approved by the California Department of Health. By obtaining an antirabies deferment from a licensed veterinarian, and upon approval of the Director, dogs that are ill may be given temporary deferment from rabies vaccination requirements; old age of the dog, however, shall not be a basis for such deferment. Such a deferred dog shall be vaccinated within 10 days of the conclusion of the deferment period.

B. Quarantine.

1. The State Director of Health has declared Orange County a rabies area. The Director is authorized under State law to quarantine suspected rabid animals. The Director or his authorized agent is hereby empowered to enter upon any private property, including the home or residence where the animal is kept or has strayed, to inspect, and if necessary, to seize and impound any animal suspected of being rabid for a period of 14 days (10 days for dogs and cats). The impounding officer shall make reasonable effort to immediately notify the owner or custodian of the animal before it has been impounded and the address of the facility to which it will be taken. If the owner or custodian is not present at the time of impounding, the above notice shall be posted on the property of such owner or custodian, if known. In lieu of impounding the animal, he may, by serving a written notice upon the owner, require the owner to quarantine the animal for such period.
2. No person shall disobey any quarantine order issued by the Director or remove from its place of confinement any animal under quarantine without the permission of the Director.

C. Duty to report. Any person having knowledge of the location of an animal suspected of having rabies, or of any person having been bitten or scratched by any warmblooded mammal, or of any signs of disease or unusual behavior in any animal under quarantine, shall immediately report such facts to the Director.

D. Proof of vaccination. No person who owns or harbors any dog shall fail or refuse to exhibit his copy of the rabies vaccination form, antirabies inoculation deferment form, or health certificate upon demand by any person charged with the enforcement of this division.

certificate in triplicate. He shall keep one copy and shall give one copy to the owner of the vaccinated dog, which the owner shall retain in his possession. He shall file the other copy with the Director on a monthly basis.

Section 6.04.100 Dog Licensing

A. Dog license required. Every person owning or having custody of any dog 4 months of age or older shall procure for said dog a dog license. Such license shall be procured within 15 days after the date on which it becomes due.

1. The following are exceptions to the requirement to license:
 - (a) A dog brought into Garden Grove for show or other purposes and which leaves within 30 days; and
 - (b) A dog maintained in an approved research institution or licensed kennel, provided said dog is owned by the owner or operator of said research institution or kennel.
2. Guard (sentry) dogs are not exempted. Each such guard (sentry) dog must be individually licensed and each dog shall be wearing its license tag securely fastened to a collar or harness whether or not the dog is kenneled in the City.
3. No dog shall be licensed without proof of approved rabies vaccination. No license may expire later than the expiration date of the rabies vaccination. Licenses are issued for a 12 month period upon payment of fees established by resolution of the City Council.

B. Wearing of dog license tag required. Each dog required to be licensed shall wear at all times the current license tag assigned to that dog; except:

1. When the dog is physically confined within the premises of the owner or other person authorized to have custody;
2. When the dog is confined in a vehicle or cage;
3. When the dog is participating in any dog exhibition, field trial or competition; or
4. When the dog is confined in a licensed kennel or veterinary hospital, in which case the license tag number shall be recorded

and placed nearby so that it is readily identifiable with the dog to which it belongs; or if not licensed, that fact shall be clearly indicated on the facility's records.

A license tag shall not be removed from any dog without the consent of the owner thereof.

C. Dog license renewal. Licenses not purchased or renewed within 15 days after expiration, or the date on which they become due, shall be considered delinquent and a late fee as determined by resolution of the City Council shall be added to the cost of the new license. The Director may waive the above late fee if he determines the applicant made a reasonable effort to comply with the above deadline.

D. False or stolen documents illegal. No person shall make use of or have in his possession or under his control a stolen, counterfeit or forged dog license receipt, dog license tag, rabies vaccination certificate, antirabies-inoculation-deferment form, or other form issued in accordance with this subdivision.

E. Display of certificates required upon demand. Every person shall, upon demand by the Director, exhibit any current rabies vaccination certificate or dog license tag issued to said person pursuant to this division.

F. Animal permit required. An animal permit must be obtained from the Director in order to keep or maintain at any residence or upon any other property 5 or more dogs, required to be licensed under subdivision (A), or 5 or more cats, over the age of 4 months. Veterinary clinics and veterinary hospitals are excluded from the foregoing animal permit requirement. The Director shall issue a permit for the keeping of such animals upon receipt of the fee established by the City Council and when, in the Director's opinion, such animals may be kept or maintained without endangering the safety and comfort of such animals and the inhabitants of the neighborhood, and the owner or custodian has complied with any other applicable laws, including zoning regulations. Each such animal shall be individually licensed. The permit shall specify the number and types of animals authorized to be kept thereunder and may contain any conditions regarding the keeping of animals thereunder deemed necessary by the Director. Animal permits shall be nontransferable and must be renewed annually. The City Council may, by resolution, adopt regulations governing the keeping of animals under permit, including facility construction and maintenance standards. Failure to comply with such regulations or any conditions imposed by the Director shall constitute cause for denial or revocation of such permit.

The provisions of section 2.60.020 of this Code shall govern appeals from the denial or revocation of a permit under this subdivision.

Section 6.04.110 Cat Licensing

The owner of any cat may, upon submission of proof of rabies vaccination, certified to by a licensed veterinarian, and upon payment of the fee established by resolution of the City Council, be issued a license certificate and tag. No person shall remove a registration tag from a cat without the consent of the owner thereof. Licensing shall be valid for the period of the rabies vaccination. The obtaining of such a license shall be optional on the part of the owner, except as provided in section 6.04.100.F.

Section 6.04.120 Dangerous and Vicious Animals

A. Wild, exotic, dangerous and nondomestic animals.

1. No person shall have, keep, or maintain any wild, exotic, dangerous or nondomestic animal without first applying to and receiving a license from the Director. The Director shall by regulation determine those animals to be covered by this section. The keeping or maintenance of such animals shall also conform to the zoning regulations of the City.
2. The Director shall issue a license to any person for the keeping or maintaining of any wild, exotic, dangerous or nondomestic animal upon receipt of the fee established by the City Council and when, in his opinion, such animal may be kept or maintained without endangering its safety and comfort and the safety and comfort of any person or property; provided, however, that the Director may require any such animal to be properly caged or tethered and he may make such additional rules and regulations that may be necessary and proper under the circumstances. He may revoke any such license for the violation of any of the provisions of this division or of any of the rules and regulations adopted pursuant thereto, or when in his opinion the safety or comfort of such animal or any person or property is endangered by the keeping of any such animal. The provisions of section 2.60.020 of this Code shall govern appeals from the denial or revocation of a license under this subdivision.

3. The owner or custodian of such animal shall give written notice to the Director prior to the transfer, trade or barter of such animal or its progeny.

B. Declaration and possession of vicious or potentially dangerous dog.

1. General Provisions.

- (a) If the Director has cause to believe that a dog is a vicious dog or potentially dangerous dog within the meaning of section 6.04.010, he or she may tentatively find and declare such dog a "vicious dog" or "potentially dangerous dog."
- (b) Upon tentatively finding and declaring that a dog is a "vicious dog" or "potentially dangerous dog," the Director shall notify the owner and/or custodian in writing of his or her tentative finding and declaration. If the Director finds that ownership or possession of any dog by the owner or custodian of the declared vicious dog would create a significant threat to the public health, safety or welfare, the Director's tentative finding and declaration may set forth such finding and impose prohibitions on the owner or custodian of the declared vicious dog in accordance with subsection (B)(5) of this section.
- (c) The notice shall inform the owner and/or custodian of such dog that he or she may request a hearing in writing before the Director within 5 working days of receipt of such notice to contest the tentative finding and declaration. Any such hearing shall be requested and conducted as provided in subsection (B)(5) of this section.
- (d) Failure of the owner and/or custodian to request a hearing pursuant to subsection (B)(1)(c) of this section shall result in the declaration, and all findings and prohibitions therein, becoming final.
- (e) The possession or maintenance of a "vicious dog" or "potentially dangerous dog," or the allowing of any such dog to be in contravention of this section, is hereby declared to be a public nuisance. The director is hereby authorized and empowered to impound and/or abate any vicious dog or potentially dangerous dog independently of any criminal

prosecution or the results thereof by any means reasonably necessary to ensure the health, safety and welfare of the public, including, but not limited to, the destruction of the dog or by the imposition upon the owner and/or custodian of specific reasonable restrictions and conditions for the maintenance of the dog. The restrictions and conditions may include but are not limited to:

- (1) Obtaining and maintaining liability insurance in the amount of \$100,000.00 against bodily injury or death or damage to property and furnishing a certificate or proof of insurance by which the Director shall be notified at least 10 days prior to cancellation or nonrenewal or, at the owner's or custodian's option, the filing with the Director of proof of a bond in the amount of \$100,000.00, to be able to respond in damages.
 - (2) Requirements as to size, construction and design of the dog's enclosure.
 - (3) Location of the dog's residence.
 - (4) Requirements as to type and method of restraints and/or muzzling of the dog.
 - (5) Photo identification or permanent marking of the dog for purposes of identification.
 - (6) Requirements as to the posting of a warning notice or notices conspicuous to the public warning persons of the presence of a vicious dog.
 - (7) Payment of a fee or fees as established by resolution of the City Council to recover the costs of enforcing the provisions of this chapter as applied to the regulation of vicious dogs.
2. Notification of Right to Hearing. At least 5 working days prior to impoundment and/or abatement, the owner or custodian shall be notified in writing of his or her right to request a hearing in writing to determine whether grounds exist for such impoundment and/or abatement. If a hearing is requested, the impoundment and/or

abatement hearing may be held in conjunction with the hearing provided for in subsection (B)(1) of this section. If the owner or custodian requests a hearing prior to impoundment and/or abatement, no impoundment and/or abatement shall take place pending decision by the Director following a hearing, except as provided in subsection (B)(3) of this section. Pending such impoundment and/or abatement hearing and decision by the Director, the Director may order the owner or custodian to keep the dog within a substantial enclosure or securely attached to a chain or other type of control which the Director may deem necessary under the circumstances. The Director may also order the owner or custodian to post and keep posted upon the premises where such dog is kept under restraint, a warning notice pending such impoundment and/or abatement hearing and decision by the Director. The form, content and display of such notice shall be specified by the Director. Any hearing under this subsection shall be conducted in accordance with subsection (B)(4) of this section.

3. Immediate Impoundment. When, in the opinion of the Director, immediate impoundment is necessary for the preservation of animal or public health, safety or welfare, or if the dog has been impounded under other provisions of this Code or State law, the pre-impoundment hearing shall not be required; however, the owner or custodian shall be given written notice allowing 5 working days from receipt of such notice to request in writing an abatement hearing. If requested, a hearing shall be held within 5 working days of receipt of the request by the Director and the dog shall not be disposed of prior to the decision of the Director following such hearing. A hearing under this subsection shall be conducted in accordance with subsection (B)(4) of this section except as otherwise indicated. If, after 5 working days following receipt of such notice, no written request for a hearing is received from the owner or custodian, the dog in question shall be disposed of under applicable provisions of law.
4. Request for and Conduct of Hearings.
 - (a) Except as otherwise provided in subsection (B)(3) of this section, the Director shall conduct a hearing within 15 days following receipt of a written request from the owner or custodian requesting a hearing under this section, and notice of the time, date and place thereof shall be mailed to

the person requesting the hearing at the address given in the hearing request, at least 10 days prior to said hearing. The Director may appoint a hearing officer to take evidence, summarize the evidence presented and report his or her findings and recommendations based on such evidence to the Director, or the Director may personally conduct the hearing.

- (b) At the hearing each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses, impeach any witness, and to rebut the evidence against him or her. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant or unduly repetitious evidence shall be excluded.
 - (c) Within 15 days following the conclusion of the hearing, the Director shall determine, on all the evidence presented to him or her, or on the summary of evidence and findings of fact and recommendations of the person holding the hearing, whether any designation, finding, prohibition, impoundment and/or abatement under this section should be rescinded or amended. Within 5 working days following such decision, the Director shall notify in writing the person requesting the hearing of his or her determination as to any issue as to which the hearing was requested.
5. Prohibition on owning, possessing, controlling, or having custody. The owner and/or custodian of a dog determined to be a vicious dog may be prohibited by the Director from owning, possessing, controlling, or having custody of any dog for a period of up to three years, when either the Director determines, under subsection (B)(1)(b) of this section, or it is found, after proceedings conducted under subsection (B)(4) or (B)(9) of this section, that ownership or possession of a dog by that person

would create a significant threat to the public health, safety or welfare.

6. Change of Circumstances. In the event of changed circumstances, the Director may amend or rescind any prohibition, abatement and/or impoundment imposed pursuant to subsection (B)(1)(e) or subsection (B)(5) of this section. Any such revision to a prohibition, abatement and/or impoundment due to changed circumstances shall be subject to the same notice, hearing and other procedural requirements as required for imposing an initial prohibition, abatement and/or impoundment set forth in this section.
7. Change of Ownership, Custody and/or Residence. Owners of a vicious dog or potentially dangerous dog who sell or otherwise transfer the ownership, custody or residence of the dog shall at least 10 days prior to the sale or transfer, inform the Director in writing of the name, address and telephone number of the new owner, custodian and/or residence and the name and description of the dog. The owner shall, in addition, notify the new owner or custodian in writing of the details of the dog's record, terms and conditions of maintenance and provide the Director with a copy thereof containing an acknowledgment by the new owner or custodian of his or her receipt of the original. The Director shall notify the new owner or custodian in writing of any different or additional restrictions or conditions imposed pursuant to subsection (B)(1)(e) of this section as a result of the change of ownership, custody or residence. The imposition of any such different or additional restrictions or conditions shall be subject to the same notice, hearing and other procedural requirements as required for imposing an initial abatement and/or impoundment set forth in subsections (B)(2), (B)(3) and (B)(4) of this section.
