To Whom It May Concern:

This letter is to certify that Project 7 armor is available exclusively from AARDVARK. Project 7 is a brand owned and operated by AARDVARK. While Safariland is the manufacturer of these items, they are made exclusively as OEM items for AARDVARK. This armor system features a unique combination of features, including patented or patent pending items, which are not available in this combination anywhere else. As a result, AARDVARK is the sole source for Project 7 armor.

Should you require additional information please feel free contact me via telephone at 909.930.8096 or via email Todd.Mackler@Safariland.com
