**Subject: Letter of Intent to Withdraw Contractor Bid for Project:
Orangewood Avenue Sewer Improvements Project No. 7838**

Dear Mr. Chun:

By this letter, Vasilj, Inc. respectfully request to withdraw our bid proposal submitted July 10, 2018, for the above-mentioned project, due to a clerical error.

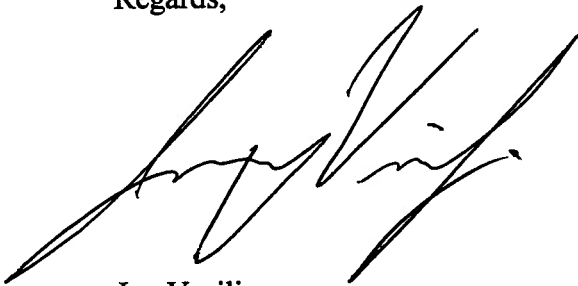

Our error was found in the following Bid Items No. 5-7 "Installation of 10 & 15 & 18 VCP". Specifically Trench Street Resurfacing, Asphalt material & labor for T-Cut section and T Cap Section by paving machine were not included in the bid item total.

We formally request withdrawal of our bid for this project and relief from it.

Vasilj, Inc. is a qualified general engineering contractor who has completed several projects of this size and scope in the recent past, and we are terribly apologetic that this happened. Furthermore, we hope this error will not cast a shadow of doubt on our ability to bid and construct this type of work for future Garden Grove projects.

Should you have any questions in regards to this matter and wish to discuss it in more detail please feel free to contact me directly at 909.414.8423. or by email at joevasilj@aol.com.

Regards,

Joe Vasilj
Manager
