List courses of study or emphasis which may have a bearing on selection:

I am currently one class away from obtaining my bachelors (with honors) from Concordia University. I have taken over 15 years of professional vocal and theater training and I have a background (over 15 years) in radio broadcasting.

Present or past employment which may relate to your interest and/or ability in this area:

I am currently working as a marketing representative for Happy Family, an organic children's food brand. I worked for over 15 years in the radio broadcasting field. I have been a nationally syndicated producer, program director and station coordinator. I have also worked in sales and marketing as well. I have helped build and create radio stations all over the world and have a strong sense of business and management.

List current membership in organizations and offices held as they may relate to this selection:

Through my work with Happy Family Brands, I have worked with many organizations, such as: Healthy Child, Healthy World- Helping to build safe and toxic free homes for children. March of Dimes, The Small Things- Help for orphaned children, Spoon Foundation-improving the diet of fostered and orphaned children and TACA-Talk About Curing Autism.

I spent 4 years working with special needs children. I was responsible for helping teach them to read and work on social skills. I have also worked with many food pantries and helped organizations that introduce the "the arts" to underprivileged children both here and internationally.

Please provide any additional information which may be helpful for selection:

I was born and raised in Garden Grove. My family has been living in this city since the 1800's. We have a deep and rich history here and I truly care about this community and want to be a part of making it better, especially now that my husband and I are raising our daughter here. As a young family, we utilize the parks in this city frequently. We love to immerse ourselves in the community and give back as much as we can.

I performed with the Colony of Performing Arts as a child and in the Gem Theater many times, I had the honor of performing at the yearly memorial service that is held to honor the fallen officers of the GGPD, I championed to have the donation/clothing bins removed from

the city park and other locations as they had become a blight in our city. I have helped with events put on by the Garden Grove Neighborhood Association and my family has a plot at the community garden on 8th St.
