To Garden Grove City Council,

October 9, 2019

We will be celebrating the **10th Annual OC Autism Foundation: Breakfast with Santa** on Saturday, **December 14, 2019**. We hope to continue the relationship with the City of Garden Grove and request for co-sponsorship of the event venue this year to ensure that our children with disabilities and their families will continue to be able to celebrate the holidays in a safe and welcoming environment.

We are requesting exclusive use of the **Atlantis Play Center** once again for our upcoming community event. We are expecting up to **3,000 attendees** throughout the day for the enjoyment of food, entertainment and holiday activities free of charge. We plan to distribute 1,000 toys and take family photos with Santa Claus. In addition, we will host a resource fair that serves as a great opportunity for parents to explore and gain access to services and local resources available.

OC Autism Foundation is a tax-exempt 501(c)(3) non-profit organization. Our mission is "improving the lives of children with disabilities locally." We offer free special education, advocacy, and services especially for low-income and minority families, parents and professionals.

We truly appreciate the Community Partnership with the **City of Garden Grove**. If you have any questions, please contact us directly at (714) 203-5213 office or email us at contacts@ocautism.org.

Best Regards,
