ADOPTION OF A RESOLUTION RATIFYING THE CITY MANAGER/DIRECTOR OF EMERGENCY SERVICES' PROCLAMATION DECLARING THE EXISTENCE OF A LOCAL EMERGENCY (F: 117.2A)

Following City Attorney Sandoval's report and City Council discussion, it was moved by Council Member K. Nguyen, seconded by Council Member D. Nguyen, to adopt the Resolution to ratify the City Manager/Director of Emergency Services' proclamation declaring the existence of a local emergency.

Council Member Bui expressed concern for fairness to the landlords in regards to Order No. 8 of the Resolution, and Council Member Brietigam expressed that No. 8 of the Resolution is unnecessary due to Governor Newsom's Executive Order.

Following City Council discussion, Council Member Bui moved a substitute motion, seconded by Council Member Brietigam that the Resolution be adopted; but to strike No. 8 of the Resolution that reads "Pursuant to paragraph 2 of Governor Newsom's Executive Order N-28-20 adopted on March 16, 2020 from the date of this Resolution and through May 31, 2020 a temporary moratorium suspending residential and commercial evictions and foreclosures due to nonpayment of rent or substantial decrease in household or business income caused by layoff, or a reduction in compensable hours of work or consumer demand or substantial out-of-pocket medical expenses caused by the COVID-19 pandemic or by any local, state or federal government response to COVID-19, which is documented. This moratorium does not relieve a tenant of the obligation to pay rent, nor restrict a landlord's ability to recover rent due."

Following further City Council discussion, Council Member Bui rescinded his substitute motion, with Council Member Brietigam in agreement.

The motion made by Council Member K. Nguyen, seconded by Council Member D. Nguyen, to adopt Resolution No. 9613-20 entitled: A Resolution of the City Council of the City of Garden Grove ratifying the City Manager/Director of Emergency Services' Proclamation declaring the existence of a local emergency, was adopted.

MATTERS FROM THE MAYOR, CITY COUNCIL MEMBERS, AND CITY MANAGER

Council Member O'Neill expressed his optimism that in spite of the tough road ahead for the nation, we will pull through the COVID-19 and there will be a vaccine. He encouraged reading the Executive Order, to be educated on the virus, and to maintain social distancing.

Council Member Brietigam stated he met with General Laney with the Los Alamitos training base regarding the foul odors affecting District 1, and was told that there is no composting. However, the base is making a wood chip product, and that there are mitigation efforts to address the odor by reducing the number, size, height, and temperature of the wood chip piles. An odor summary log will be maintained, as well as encapsulating the mounds with dirt, and if these efforts are unsuccessful, further mitigation efforts will be explored. He echoed Council Member O'Neill's sentiment on COVID-19, and expressed that this will be the new normal. He noted the longer working hours for first responders and health care professionals preventing them from shopping, and appealed to the public not to hoard or panic, and to maintain normal weekly shopping practices.

Council Member D. Nguyen encouraged the public to visit the OC Health Care Agency webpage for the latest information on COVID-19. She also encouraged everyone to take part in the Great American Take Out and support our local restaurants. She expressed her deep gratitude for those working essential jobs who assist the public.

Council Member Bui echoed concerns for hoarding and expressed concern for price gouging that can result in criminal and civil prosecution. Price increases that have happened are not just about supply and demand, but as he has learned, expediting orders for depleted supplies to meet the demand cost grocers significantly more money. To avoid being perceived as price gauging, stores are not expediting orders, but are relying on normal delivery schedules. He stated that he visited six different stores including Costco twice and paper supplies have been depleted. He is concerned for the difficult times ahead, and stated that the City needs to work closely with County, State, and Federal agencies to ensure immediate assistance. He stated that people in District 4 and in Little Saigon are confused about the Governor's Executive Order, and are unsure of what is an essential business, and whether they would be ticketed for leaving their homes. He stated that we need to get a clear definition from the Governor's Office that can be shared with the residents.

Council Member Klopfenstein encouraged everyone to support the Great American Take Out and to eat and shop local businesses. She encouraged people to avoid

drawing conclusions from Facebook posts and noted that the City's website has a lot of information about COVID-19. She asked that everyone stay at home and help flatten the COVID-19 curve.

Council Member K. Nguyen shared that she has been appointed to the Orange County Council of Governments to represent District 18. She recognized first responders, health care workers, as well as the Mayor and staff members who have been working hard in response to COVID-19. She asked that everyone be mindful of road workers and to please drive slowly. (F: 122.1)

City Attorney Sandoval reported that during Closed Session, the City Council unanimously approved: Coordinating defense efforts regarding Kessner et al. (Walton) vs. City of Santa Clara et al. (Garden Grove), Santa Clara County Superior Court Case No. 20CV364054; and for the City Attorney's Office and City Manager's Office to coordinate in an action to hire outside legal counsel to litigate manufacturers that have created PFAS contamination in the City's water source through the Orange County Water District managed basin. (F: 24.12)
