RE: Tree Maintenance Services

Dear Ms. Segawa,

As we approach the end of the current fiscal year, West Coast Arborists, Inc. would like to take this opportunity to convey our sincere gratitude to you and your staff for another successful year. Together, we have worked diligently to maintain the integrity, health and preservation of Garden Grove's urban forest.

The purpose of this letter is to express our interest in continuing with the agreement for an additional year with a slight adjustment in cost effective July 1, 20120. The adjustment is a result of Consumer Price Index changes and increased labor costs as determined by the California Department of Industrial Relations.

Effective July 1, 2020, we respectfully request a cost adjustment of 3.10% based on the Consumer Price Index (CPI) for the Los Angeles-Long Beach-Anaheim area for the previous calendar year, as published by the Department of Labor's Bureau of Labor Statistics.

We appreciate your consideration in this matter. We look forward to continuing our successful business relationship. Should you have any questions or require additional information, please do not hesitate to call me at (800) 521-3714.

Sincerely,

Victor M. Gonzalez

Vice President, Marketing
