The Dissolution Law and HAL respectively require preparation of an annual report on the housing successor and the housing authority's activities for the prior fiscal year. This Report details the Housing Authority's activities during Fiscal Year (FY) 2020-2021 and is intended to satisfy the requirements under both HSC Sections 34176.1 and 34328. More specifically, this Report details the Housing Authority's activities for FY 2020-2021, including the information required about the Low and Moderate Income Housing Asset Fund (LMIHAF) and other information under Section 34176.1(f). A copy of the Report, in this draft form, has been provided to the City Council, as governing body, and to the Housing Authority by December 31, 2021 under Section 34176.1(f), and upon their joint review and action to file the Report after the CAFR (defined below) is completed at the open meeting in December 2021 or January 2022, this Report will be posted on the City's website at <https://ggcity.org/> and thereafter appended to the City's annual update report prepared under Section 65400 of the Government Code.

IV. DESCRIPTION OF EXPENDITURES FROM LMIHAF

Below is a table describing expenditures from the LMIHAF:

➤ Expenditures on Very-Low Income Units	\$0
➤ Expenditures on Extremely-Low Income Units

The administrative expenditures total less than five percent (<5%) of the statutory value of real property owned by the Housing Successor and of loans and grants receivable held by the Housing Successor.

V. STATUTORY VALUE OF HOUSING ASSETS OWNED BY HOUSING SUCCESSOR IN LMIHAF

Under the Dissolution Law and for purposes of this Report, the “statutory value of real property” means the value of properties formerly held by the former redevelopment agency as listed on the housing asset transfer schedule (HAT) approved by the Department of Finance (DOF) as listed in HAT under Section 34176(a)(2), the value of the properties transferred to the Housing Successor pursuant to Section 34181(f), and the purchase price of property(ies) purchased by the Housing Successor. Further, the value of loans and grants receivable is included in these reported assets held in the LMIHAF.

The following provides the statutory value of assets owned by the Housing Successor (2020-21 CAFR).

Description	Ending Balance
Statutory Value of Real Property Owned by Housing Authority	\$2,066,624.53
Value of Loans and Grants Receivable*	\$12,782,717.05
Total Value of Housing Successor Assets	\$14,849,341.58

**This balance includes SERAF and ERAF loans totaling \$7,054,260.00 (which changed in prior fiscal years, based on the State of California, Department of Finance’s (DOF) determination of allowable notes receivable balances.) The total value of loans and grants receivable is gross of any allowance.*

VI. DESCRIPTION OF TRANSFERS

The Housing Successor did not make any LMIHAF transfers to other housing successor(s) under Section 34176.1(c)(2) during FY 20-21.

VII. PROJECT DESCRIPTIONS

Except as to the \$75,000 funded via ROPS 20-21, Line Item 55, related to continued implementation of the DOF-approved enforceable obligations referred to as the *Limon* Judgments (see Sections II and IX), the Housing Successor did not receive or hold property tax revenue pursuant to the ROPS process.

VIII. STATUS OF COMPLIANCE WITH SECTION 33334.16

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; nevertheless, this Report presents a status update on the status of real property, if and as applicable.

With respect to interests in real property acquired by the former redevelopment agency *prior* to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset on the HAT.

The following table provides a status update on the real property or properties housing asset(s) that were acquired prior to February 1, 2012 and compliance with five-year period that commenced on August 30, 2012, the date of the letter issued by DOF approving these properties as housing assets on the HAT:

IX. DESCRIPTION OF OUTSTANDING OBLIGATIONS PURSUANT TO HSC SECTION 33413

Replacement Housing: Whatever unmet obligation that existed according to the 2010-2014 Implementation Plan for Former Agency, if any, this obligation has been superseded and is being met pursuant to that certain *Stipulation to Substitute Party and for Entry of Interlocutory Judgment* approved by the Superior Court, County of Orange, State of California in the action *Marina Limon, et. al., v. Garden Grove Agency for Community Development*, Orange County Superior Court Case No. 30-2009-00291597 (Original *Limon* Judgment), attached as Exhibit A. There were two lawsuits related to this matter, which resulted in judgments that are both enforceable obligations under the Dissolution Law: (i) a lawsuit filed against the former redevelopment agency pre-dissolution that resulted in the Original *Limon* Judgment, and (2) a second lawsuit filed post-dissolution by the Plaintiffs in the original *Limon* action entitled *Marina Limon, et al v. State of California, et al.*, Sacramento Superior Court Case Number: 34-2014-80001994 (Writ Order to DOF), which together are referred to as the “*Limon* Judgments”. In implementation of the *Limon* Judgments, the Successor Agency to the Garden Grove Agency for Community Development (Successor Agency) in cooperation with the Housing Authority and the City have entered into, caused construction through completion, and continue to implement the 38 units of replacement housing required under the *Limon* Judgment through a series of subsidies, contracts and implementing instruments for: (i) Wesley Village a 47-unit, new construction senior and family affordable housing project and (ii) Sycamore Court, a 78-unit substantial rehabilitation multi-family project, both of which have recorded regulatory agreements with 55-year affordability covenants for tenancy and occupancy by qualified very low and low income households. During FYs 17-18, 18-19, 19-20 the Successor Agency, as well as the City and Housing Authority, have provided documentation and supplemental documentation to the plaintiffs’ counsels in the *Limon* Judgments, but to date plaintiffs’ counsel for unstated reasons still have refused to cause the filing in the Superior Court of a full satisfaction of judgment affirming complete satisfaction of the Original *Limon* Judgment. Further, in compliance with the *Limon* Judgments, the plaintiffs and all former residents/tenants at the RV Park were part of the outreach about the availability of the *Limon* Replacement Units for tenancy at the time of initial occupancy of both projects upon completion and issuance of certificates of occupancy. Presently, financial issues exist related to the Wesley Village project that have necessitated restructuring of the existing loans and additional loans by the Housing Authority to ensure that the *Limon* Replacement Housing Units at Wesley Village remain in operation long-term in implementation of the Original *Limon* Judgment. The Successor Agency’s annual ROPS, in particular item 55, includes funding related to

implementation of the *Limon* Judgments, including ROPS 18-19, ROPS 19-20, ROPS 20-21, current ROPS 21-22 and prospective ROPS 22-23, all to ensure that the *Limon* Replacement Housing Units at Wesley Village (and Sycamore Court) remain in operation long-term in implementation of the Original *Limon* Judgment. During FY 20-21, due to issues related to the financial viability of the project, the Housing Authority and the Developer of Wesley Village, and respective counsels, have negotiated draft instruments, and have continued negotiations in FY 21-22, that will modify the existing lien instruments and regulatory covenants that are necessary to preserve the *Limon* Replacement Housing Units at Wesley Village and to ensure continued compliance with the Original *Limon* Judgment.

Inclusionary/Production Housing: Whatever unmet obligation that existed according to the 2010-2014 Implementation Plan for the Former Agency, if any, this obligation has been superseded and has been met by performance, and continued performance, in accordance with the Original *Limon* Judgment (Exhibit A).

X. INCOME TEST

Section 34176.1(a)(3)(A) provides: “The housing successor shall expend all funds remaining in the Low and Moderate Income Housing Asset Fund after the expenditures allowed pursuant to paragraphs (1) and (2) for the development of housing affordable to and occupied by households earning 80 percent or less of the area median income, with at least 30 percent of these remaining funds expended for the development of rental housing affordable to and occupied by households earning 30 percent or less of the area median income and no more than 20 percent of these remaining funds expended for the development of housing affordable to and occupied by households earning between 60 percent and 80 percent of the area median income.” Section 34176.1(a)(3)(B) provides: “If the housing successor fails to comply with the extremely low income requirement in any five-year report, then the housing successor shall ensure that at least 50 percent of these remaining funds expended in each fiscal year following the latest fiscal year following the report are expended for the development of rental housing affordable to, and occupied by, households earning 30 percent or less of the area median income until the housing successor demonstrates compliance with the extremely low income requirement in an annual report described in subdivision (f).” The Housing Authority, as housing successor, reported previously on its expenditures for development sourced from the LMIHAF for the initial five-year reporting period of January 1, 2014 to “the annual report ... for 2019.” The term “development” is defined in Section 34176.1(a)(3)(D): “For purposes of this subdivision, ‘development’ means new construction, acquisition and rehabilitation, substantial rehabilitation as defined in Section 33413, the acquisition of long term affordability covenants on multifamily units as described in Section 33413, or the preservation of an assisted housing development that is eligible for prepayment or termination or for which within the expiration of rental restrictions is scheduled to occur within five years as those terms are defined in Section 65863.10 of the Government Code.”

The second five-year reporting period is in effect, and this section of the Report presents information for FY 2020-2021. In this regard, the Housing Authority’s expenditures, as housing successor, sourced from the LMIHAF for development must meet the income categories and thresholds described above during the second five-year period. During FY 2020 2021, the Housing Authority had \$0 of expenditures for development sourced from the LMIHAF.

See Section XII of this Report for updated information about proposed projects that are planned to be undertaken during the second five-year reporting period; the projects will include extremely low, very low and low income housing units in compliance with the income-targeting requirements of HSC Section 34176.1.

XI. SENIOR HOUSING TEST

The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former redevelopment agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former redevelopment agency and/or City within the same time period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units. The table below provides information regarding the Housing Successor's Senior Housing Test for the 10-year period of July 1, 2011 through June 30, 2021:

Senior Housing Test		7/01/2011 – 6/30/21
# of Assisted Senior Rental Units (in the Wesley Village project 16 of the 47 units are senior units, and 30 are family units, with one manager's unit)		16
# of Total Assisted Rental Units (Sycamore Court, Wesley Village, 12142 Tamerlane, 12211 Tamerlane)		132
Senior Housing Percentage		12%

XII. EXCESS SURPLUS TEST

Excess Surplus is defined in Section 34176.1(d) as an unencumbered amount in the account that exceeds the greater of (i) one million dollars (\$1,000,000) or (ii) the aggregate amount deposited into the account during the Housing Successor's preceding four Fiscal Years (\$4,736,687), whichever is greater. The following provides the Excess Surplus test for the preceding Fiscal Years of the Housing Successor:

	FY 16/17	FY 17/18	FY 18/19	FY 19/20	FY 20/21
Beginning Balance	\$459,145	\$704,604	\$730,829	\$597,475	\$4,075,333
Add: Deposits	\$500,105	\$402,072	\$210,647	\$3,623,863	\$3,563,722
(Less) Expenditures	(\$254,646)	(\$375,847)	(\$344,001)	(\$146,005)	(\$228,064)
Ending Balance	\$704,604	\$730,829	\$597,475	\$4,075,333	\$7,410,990

The LMIHAF has an Excess Surplus; however, it is noted during FY 19-20, the Housing Authority had negotiated and reached consensus for an 82-unit senior acquisition/rehabilitation project but the Developer withdrew and informed the Housing Authority that it believed the project would not receive a reservation of tax credits nor a bond allocation due to changes to the state regulations establishing lesser priority for acquisition/rehabilitation projects to be considered and approved by TCAC (as to tax credits) and CDLAC (as to multi-family housing bonds); that project would have included eight (8) extremely low, sixty (60) very low, and twelve (12) low income units for an extended 55-year affordability period. Further, during FY 20-21, the Housing Authority negotiated and reached tentative agreement for preservation of 144 very low income units and the reset and extension of the affordability period for 55 years; however, the owner/seller and developer/buyer

did not reach agreement on the sale of the properties. Nevertheless, during FY 21-22, the owner and the Housing Authority entered into an amendment to extend the affordability period for the 144 very low income units until December 31, 2028 for no payment by the Housing Authority. In addition, the Housing Authority's goals for FY 21-22 include seeking to encumber LMIHAF and/or other funding sources to provide financial assistance to several projects in the community. In September 2021, the Housing Authority entered into an agreement with American Family Housing, a nonprofit housing developer, to operate a 10-unit permanent supportive housing (PSH) project with eight extremely low, one very low, and one manager's unit covenanted for a 55-year affordability period; the Housing Authority awarded eight mainstream project-based vouchers for tenants that are age 18 to 62 and disabled. Further, as of preparation of this Report, the Housing Authority is negotiating with several experienced affordable housing developers about both new construction and acquisition/rehabilitation projects, such as a 56-unit new construction project with 20 units of permanent supportive housing, which will include a range of extremely low, very low and/or low income covenanted housing units.
