Re: Various Streets Rehabilitation 2022
Bid Award Date: May 11, 2022

Dear Ms. Pomeroy:

It has been brought to our attention that the above referenced bid award is under protest by R.J. Noble Co. at this time.

Please accept this as a statement of facts from our runner who personally delivered the bid in question.

The runner arrived at approximately 9:20 am the morning of May 11, 2022, and as instructed she went to the address of 11222 Acacia Parkway and found that there was a sign (see attached) stating that the lobby was closed and was re-directed to 12860 Acacia Parkway. She made contact with an individual at that location and was given written instructions to contact the City Clerk's office by phone when the bid was ready to be submitted (see attached).

Prior to 11:00 am, our runner contacted the City's Clerks office by phone to notify them that the bid was ready to be submitted and a staff member from the Clerk's office was already outside to take possession of the documents. The staff member stamped and dated the sealed envelope prior to leaving sight of our runner acknowledging acceptance of the documents in a timely manner.

All procedures have been followed as it relates to the submission of this bid document. Should you have any further questions regarding this matter, please feel free to contact our offices at your earliest convenience.

Sincerely,
ALL AMERICAN ASPHALT
