As a full service contractor, the hourly rate quoted is a fully loaded rate, meaning all of our costs are included in the proposed hourly billing rate. This would include but be not limited to; recruitment, background clearance, training, equipment, insurance, supervision and management of the **City of Garden Grove, CA** Crossing Guard Program.

Proposed Hourly Rate: Twenty-seven Dollars and Ninety-seven Cents (**\$27.97**) per hour, per guard. This pricing is based upon 15 crossing guards compensated an average of 4.0 hours per day, for 180 school days annually. Local field supervision and substitute guards are also included in the rate, as are all other costs except as noted below. Based upon 10,800 hours, we project a **Not to Exceed price of \$302,076.**

Invoices for services are mailed every two weeks. Included with each invoice is a Work Summary, which details each site, each day and the hours worked at that site. **City of Garden Grove** would only be billed for Crossing Guard services rendered on designated “school days” unless otherwise requested by the City.

The hourly rate does not include additional safety equipment, crosswalk delineators, cones or safety devices. If the City should desire any such additional equipment the additional cost would be billed to the City.
