INTER-DEPARTMENT MEMORANDUM

To:	Scott C. Stiles	From:	Maria Stipe
Dept.:	Director	Dept.:	City Manager
Subject:	Receive and file the Housing Authority Status Report - July 2017. (<i>Action Item</i>)		
	Date:	8/22/2017	

OBJECTIVE

To provide Housing Authority Commissioners the July 2017 Housing Authority Status Report.

BACKGROUND

The Housing Choice Voucher Program assists low-income families, senior citizens, and handicapped persons in the payment of their monthly rent. Under this program, a qualified participant pays a portion of his/her adjusted household income for rent. The remainder of the rent is paid by the City's Housing Authority utilizing funds received from the Department of Housing and Urban Development (HUD). The units rented under the program are inspected on a biennial basis to ensure that they are decent, safe, sanitary, and have no code violations. Approximately 2,337 senior citizens, disabled persons, and families are funded by the Section 8 Rental Assistance Program.

DISCUSSION

The following is a status report for the month of July 2017:

Program Eligibility: All participants of the Housing Choice Voucher Program must be income eligible. Applicants are ranked on the Waiting List by local preferences. When an applicant is next on the Waiting List, they have an Initial Qualifying (IQ) interview where their eligibility is verified. If they are eligible, they receive a program briefing and their voucher. The Authority replaces those families who terminate from the program as a part of normal turnover. Once on the program, they are re-certified for eligibility at least annually and their portion of the rent adjusted according to their income.

INITIAL QUALIFICATION (IQ) INTERVIEWS: Staff conducted 21 Initial Qualification interviews (IQ) from the Waiting List and the following:

- (a) Emergency Situations - 0
- (b) Referred by a Garden Grove Homeless Shelter - 0
- (c) Incoming Portability - 2

Briefings: One briefing was conducted this month, and nine vouchers were issued.

Re-certifications: Staff conducted 205 reexamination interviews with participants to determine continued eligibility. Eighty-one tenants were interviewed who had interim changes in income, which necessitated an adjustment in their portion of the rent.

Moves: Staff met with 17 tenants currently on the program that were moving and were briefed on move procedures.

Terminations: There were five families who terminated from the program during the month.

FAMILY SELF-SUFFICIENCY PROGRAM (FSS): Assists families to become employed and no longer dependent on public assistance. The Family Self-Sufficiency Program enters into contracts with Voucher participants to provide support services such as education, training, and career development.

Status of FSS participants this month: There was one prospective FSS participant interviewed for the month of July. There was one new contract signed and no contracts were terminated. There are a total of 373 families who have signed contracts for the FSS program. Forty-seven contracts are active. Five update meetings were held with FSS participants.

One hundred and twenty-nine families have completed their FSS goals and 57 of these are self-sufficient and no longer need housing assistance. Eight families have purchased houses. There are 31 escrow accounts. Twenty escrow accounts are active with monthly deposits.

The Authority has paid out a total of \$1,069,558 in escrow funds to tenants who have completed their contract obligations. Each graduate that successfully completes his or her family obligations on the contract after October 21, 1998, reduces the minimum program size. The original program size of 140 is now reduced to 16.

UNIT INSPECTIONS: All units that are leased under the Housing Choice Voucher program must pass an initial Housing Quality Standards (HQS) inspection before the Housing Assistance Payments contract is signed, and must pass a biennial HQS inspection to continue to receive rental assistance payments. HQS inspections determine that the unit is decent, safe and sanitary, and has passed City building codes.

New Leases: There were 23 requests for new lease approvals with 15 units passing and eight units failing.

Annals: There were 111 annual inspections conducted this month. Nineteen units passed and 92 units failed to meet Housing Quality Standards (HQS) and code

requirements. The owners were requested to make the necessary repairs.

Re-inspections: There were 106 re-inspections conducted on units that failed their first inspection.

Move-out: There were no move-out inspections conducted.

Specials: There were no special inspections conducted.

Quality Control: There was one quality control inspection conducted this month. These inspections are required by HUD to ensure that field staff is in compliance with inspection requirements and are conducted by supervisory staff.

FINANCIAL IMPACT

None.
