INTER-DEPARTMENT MEMORANDUM

To:	Scott C. Stiles	From:	Patricia Song
Dept.:	City Manager	Dept.:	Finance
Subject:	Approval of writing off as uncollectible debt certain delinquent obligations owed to the City. (<i>Action Item</i>)	Date:	10/26/2021

OBJECTIVE

To request that the City Council approve writing off as uncollectible debt certain obligations owed to the City in excess of \$10,000.

BACKGROUND

The City's Finance Department maintains a billing system that records and keeps track of amounts owed to the City (Accounts Receivable). Occasionally, the responsible party does not pay. Resolution 9666-20 (see attached) provides authority to the Finance Director to use available lawful methods to obtain prompt and full recovery of all amounts owed to the City, and outlines how uncollectible debt may be written off. Delinquent obligations owed to the City in excess of \$10,000 may be written off as uncollectible debt with approval by the City Council. After a good faith effort, debts are considered uncollectible by one or more of the following criteria:

- The debtor is deceased;
- The debtor cannot be identified;
- The debtor cannot be found;
- The debtor has no assets;
- The statute of limitations to pursue a legal remedy for collection has passed.

DISCUSSION

The two delinquent accounts with balances over \$10,000 deemed uncollectible in the total amount of \$24,832.94 are:

1. Woodsondesett, Jahmarree Kevin Michael - \$14,612.94; and
2. Morey, Kyle Michael - \$10,220.

FINANCIAL IMPACT

The write-offs will reduce the City's accounts receivable by \$24,832.94.

RECOMMENDATION

It is recommended that the City Council:

- Approve the write-offs for the two delinquent accounts, for a total amount of \$24,832.94, as uncollectible debt for Fiscal Year 2020-21.

Dept.:	City Manager	Dept.:	Public Works
Subject:	Authorize the issuance of a purchase order for four (4) new Police Department utility vehicles to National Auto Fleet Group. (Cost: \$114,197.10) (<i>Action Item</i>)		
		Date:	10/26/2021

OBJECTIVE

To obtain City Council authorization to purchase four (4) new Police Department utility vehicles from National Auto Fleet Group through the Sourcewell competitive bid program, Contract #120716-NAF.

BACKGROUND

The Public Works Department has four (4) vehicles that currently meet the City's guidelines for replacement. The replacements were approved through the FY-21/22 budget process and will be replacing a 2006 Chevrolet Trailblazer with 68,000 miles, VIN#1GNDS13S562305562; a 2006 Chevrolet Trailblazer with 54,000 miles, VIN#1GNDS13S262304806; a 2006 Ford 500 with 87,000 miles, VIN#1FAFP23116G179449; and a 2006 Pontiac Grand Prix with 46,000 miles, VIN#2G2WP552561282781. Experience has shown that the City's buying power is enhanced through joining with other public agencies to purchase fleet vehicles and equipment.

DISCUSSION

Sourcewell nationally solicits, evaluates and awards contracts through a competitive bid process. As a member, the City is able to utilize Sourcewell bid awards for equipment purchases. Staff recommends piggybacking on the results of a recent Sourcewell competitive bid program, Contract #120716-NAF. The results deemed National Auto Fleet Group as the lowest responsive bid.

National Auto Fleet Group (2 Chevrolet Traverse)	\$61,244.10 *
National Auto Fleet Group	\$52,953.00*

(2 Chevrolet Equinox)

* This price includes all applicable tax and destination charges.

FINANCIAL IMPACT

There is no impact to the General Fund. The financial impact is \$114,197.10 to the Fleet Management Fund. The surplus equipment will be sold at public auction.

RECOMMENDATION

It is recommended that the City Council:

- Authorize the Finance Director to issue a purchase order in the amount of \$114,197.10 to National Auto Fleet Group for the purchase of four (4) new Police Department utility vehicles.

INTER-DEPARTMENT MEMORANDUM

To:	Scott C. Stiles	From:	Tom DaRé
Dept.:	City Manager	Dept.:	Police
Subject:	Approval to lease five vehicles from Enterprise Fleet Management. (Cost: \$93,000) (<i>Action Item</i>)	Date:	10/26/2021

OBJECTIVE

To obtain City Council approval to enter into 36-month operating lease agreements with Enterprise Fleet Management (Enterprise) for five Police Department undercover vehicles, pursuant to the terms of the existing standard Master Walkaway Lease Agreement.

DISCUSSION

Rotating leased vehicles every 36 months has been very successful for the Police Department, as it allows investigators to conduct operations in vehicles chosen to blend in with the general population. The City has an existing Master Walkaway Lease Agreement with Enterprise, and five operating leases are set to expire in April 2022. Pandemic-related delays, shortages and manufacturers cutting off orders early have pushed delivery lead times to 22-24 weeks, so orders need to be placed far in advance to ensure replacement vehicles are available when the current leases expire.

Each vehicle will have a total allowance of 30,000 miles for the 36-month lease term and the dealer will complete any repairs that are covered under warranty. Enterprise will also provide physical damage coverage for the vehicles, as leased vehicles do not qualify for comprehensive coverage under the City's self-insurance guidelines.

FINANCIAL IMPACT

The total cost of the five leases is approximately \$31,000 per year, or \$93,000 for the full 36-month term of the agreements. This amount includes all monthly lease payments, physical damage insurance, annual license renewal fees, and all fees associated with initial delivery. The full cost of Enterprise lease agreements is incorporated into the Police Department's budget as an ongoing expense. There will be no additional burden on the General Fund.

RECOMMENDATION

It is recommended that the City Council:

- Approve a 36-month vehicle operating lease contracts for five (5) Police Department undercover vehicles, pursuant to the existing Master Walkaway Lease Agreement; and
- Authorize the City Manager to execute the agreements on behalf of the City, and make minor modifications as appropriate thereto.

GARDEN GROVE'S BE WELL OC PROGRAM LAUNCH UPDATE (F:57.1)

Following an introduction by City Manager Stiles, Marshall Moncrief, CEO of Be Well OC, thanked the City Council and City staff for the remarkable work and support on this program. He also thanked Orange County Supervisor Do for his support for the program in Garden Grove adding that the Be Well OC program works within existing county services like the Crisis Assessment Team (CAT) and Psychiatric Emergency and Response Team (PERT) to create a continuum of mobile response. He shared that a retrofitted Ford Sprinter van was available for the community to view and explained that the van is staffed with two experienced crisis counselors that have been recruited with community cultural and language aspects in mind. He shared that there would be an upcoming community event and would provide more information in the near future and invited the community to participate and provide feedback.

Chief DaRé expressed excitement about the launch of the program. Not only will it provide better outcomes for those in need, but also provide the much needed support for law enforcement and emergency medical services (EMS) so that they can respond to calls where they are needed most urgently. He shared that Community Development, Police Department, Orange County Fire Authority and Be Well OC have collaborated to develop this program to ensure a safe and beneficial service to the residents of Garden Grove. Currently, the van teams are undergoing a comprehensive two week training program which includes classroom and field exercises. Additionally, they will also be conducting a live, hands-on scenario training at Gutosky Park on October 1st. He thanked the City Council for their support in the launch of the mobile response team and would be reporting back in a few months with a program update.

Assistant City Manager and Community Development Director, Lisa Kim, reported that one of the key components of the program is that it is evidence based and data

driven. The City will launch a dashboard on the city's website that will share this data in real time and provide information about the calls responded to, clients served, and the overall benefits to the community. The Be Well OC team is organizing a series of in-person community conversation and workshops in the month of October, where translation services will be provided. A roadmap for the Garden Grove Comprehensive Strategic Plan to Address Homelessness (CSPAH), where the Be Well OC is a key component of the program, will be presented later in the meeting. Lastly, she expressed excitement for the program and thanked the City Council for their continued support and leadership.

Staff provided an introduction and overview of the Final Comprehensive Strategic Plan to Address Homelessness (CSPAH), and presented the City's Homeless Data Dashboard posted to the City's website (<https://ggcity.org/endhomelessness/dashboard>).

Following staff introduction, Assistant City Manager/Director of Community and Economic Development, Lisa Kim, commended staff of the Community and Economic Development Department, Information Technology, and the Office of Community Relations, for their collaborative work on the 2021 CSPAH and the data dashboard.

In response, Assistant City Manager, Lisa Kim, highlighted the establishment of the Homelessness Hotline, where inquiries from the general public can be directed, or individuals seeking assistance will be referred to available resources. She also noted that several of the strategic goals of the plan are nimble and additional alternative programs will be adjusted as necessary following the deployment of the Be Well OC mobile response unit. Additionally, Assistant City Manager Lisa Kim, noted two in-person outreach engagement activities scheduled in October relating to the deployment of the mobile response unit and is looking forward to community participation and feedback.

City Manager Stiles provided additional comments and highlights noting the continued availability of the Special Resource Team (SRT) to assist with community concerns; the consideration and exploration of a potential low-barrier shelter in Garden Grove; the construction of a Be Well OC facility in the City of Irvine which will help Garden Grove in providing resources to homeless individuals through the Be Well OC contract; consideration and exploration of potential partnerships for motel conversions for properties with a chronic history of police response and calls for service, potentially funded by the state's Project Homekey or Project Roomkey.

MATTERS FROM THE MAYOR, CITY COUNCIL MEMBERS, AND CITY MANAGER

DISCUSSION REGARDING A PROPOSED RESOLUTION IN SUPPORT OF AFGHAN REFUGEES AND THE PEOPLE OF AFGHANISTAN AS REQUESTED BY COUNCIL MEMBER DIEDRE THU-HA NGUYEN (F: 83.1)

Following Council Member D. Nguyen's introduction and request for support, Mayor Pro Tem K. Nguyen expressed support of the resolution.

Council Member Brietigam expressed support for Afghan refugees that have served the American cause in Afghanistan, but also expressed his view that the City of Garden Grove does not have jurisdiction over federal matters.

Council Member Klopfenstein expressed sympathy for the plight of Afghan refugees, but noted that there are local issues in the community that need primary focus, thus she would be abstaining her vote on this resolution.

Council Member Bui expressed sympathy for the Afghan refugees and noted that he has asked the Vietnamese community to support them in any way they can, just as American communities supported Vietnamese refugees following the fall of Saigon in 1975. However, he also expressed that this issue is not in the purview of the City Council and thus could not support this resolution.

Council Member O'Neill stated that he strongly supports a resolution that supports refugees, but expressed concern with divisive language in the resolution as currently drafted. He reiterated that he would support a resolution supporting all refugees, but could not support the resolution as currently drafted, and one that he had no input in.

Council Member D. Nguyen stated that she brought this resolution forward in an effort to demonstrate compassion and support for Afghan refugees noting that the City Council annually adopts the World Refugee Day proclamation. She also noted the Islamic center located in District 4, and highlighted recent Census data demonstrating that Garden Grove is a community of immigrants and refugees, adding that refugees come from different situations and as such expressed the current need to make Afghan refugees feel welcome.

Council Member O'Neill further stated his support for a resolution in support of refugees, but expressed concern with language he felt was unnecessarily included in the current draft resolution, one that he had no input in, and thus could not support it.

Council Member D. Nguyen invited Council Member O'Neill to share his input to revise the resolution and garner his support.

Council Member Bui expressed concern for a resolution addressing one group of refugees. He further expressed his view that the existing city resolution promoting Garden Grove as an inclusive and harmonious city is sufficient to say that Garden Grove welcomes all immigrants and refugees.

Mayor Pro Tem K. Nguyen introduced a substitute motion, seconded by Mayor Jones that:

Council Member D. Nguyen work with Council Member O'Neill to revise language in the resolution and bring come back to the next meeting.

The motion carried by a 4-2-1 vote as follows:

MATTERS FROM THE MAYOR, CITY COUNCIL MEMBERS, AND CITY MANAGER (Continued)

Mayor Pro Tem K. Nguyen thanked the Information Technology Department for the work and updates to the City's website. She shared that she, along with City Manager Scott Stiles and Council Member D. Nguyen, recently attended the League of California Cities (Cal Cities) annual conference held in Sacramento. There she attended sessions regarding housing, cannabis, bridging the digital divide, and equity. Additionally, she shared that she was sworn in as the league's Orange County Division President for the incoming year. She expressed excitement to work with the

First and Second Vice Presidents John Taylor, Mayor of City of San Juan Capistrano, and Marshall Goodman, Council Member of City of La Palma. Lastly, she also highlighted the robust amount of public artwork in Sacramento. She further noted the City Council's timely approval of a Public Art Donation Policy and community input about public art and she recollected previous discussions about designating the Parks, Recreation and Arts Commission and Neighborhood Improvement and Conservation Commission to implement an artwork/mural program. A list of available locations, whether city property or private property would be inventoried and documented by City. The program would then allow local artists, usually local high school students, an opportunity to submit proposed artwork or murals to be considered for approval by the City Council. The program would be a great addition to Garden Grove considering its diverse community.

Council Member Klopfenstein thanked the residents of Cathy Lane that came to the meeting to express their frustrations and concerns. She stated that she would reach out to Code Enforcement to discuss their situation. She also provided a Vector Control update and shared that mosquitos also affect pets; mosquitos can give dogs heartworm disease which can be treated with medication prescribed by a veterinarian. She reminded residents that mosquitos are still active this time of year, and although there have been no current cases of West Nile virus reported in Garden Grove, neighboring cities are being affected. She reminded residents to "dump and drain" water, check screens, check potted plants and wear repellent when outdoors. Additionally she thanked Coach Beau and Coach Tanya for the Pickellball demonstration earlier in the meeting. She would like to see this program brought to Garden Grove as it would be a fun addition for kids and residents. Lastly, she mentioned October as Breast Cancer Awareness month, and being that this cause is very personal to her, she requested, with unanimous support from City Council, that staff be directed to light the Clock Tower pink for the month of October.

Council Member Bui thanked Council Member Klopfenstein for highlighting Breast Cancer Awareness month stating he is empathetic to the cause since he is a cancer survivor himself. He further reiterated Council Member Klopfenstein's advice regarding precautionary measures against mosquitoes, as the Asian tiger mosquitoes carry numerous diseases that can affect humans and pets.

Council Member D. Nguyen mentioned her participation in the Cal Cities annual conference. She congratulated Mayor Pro Tem K. Nguyen on her new position as President for the Orange County Division. She also shared that she has been elected to the Board of Directors, as Director At-Large for the Asian Pacific Islander (API) Caucus. She noted that the API community is the fastest growing community and Garden Grove is home to 43% of that population. She is looking forward to working with the community and would like to emphasize public art. She would like to reach out to businesses across the city for any available space to promote and beautify Garden Grove. She also mentioned the upcoming Annual Elvis Festival on Main Street on October 10th.

Council Member O'Neill commented that the issues that the residents from Cathy Lane are dealing with is happening everywhere in Garden Grove. He expressed frustration with the issue of Accessory Dwelling Units (ADUs) and noted that control over regulations of single-family lots has been taken away from local government by Sacramento and San Francisco legislators. He urged residents to contact their state representatives and voice their concerns.

Council Member Brietigam echoed Council Member O'Neill's sentiments on the issue of ADUs and parking. He noted that the recent passage of Senate Bill 9 (SB9) does not consider traffic impacts to neighborhoods, nor does it address how schools or city infrastructure would be affected. Council Member Brietigam also mentioned the issue of coyote nuisance as coyote populations have recently increased. He advised residents to take precautions like not leaving pets and pet food outdoors, especially at night. He shared that residents can call the coyote hotline to report a coyote citing, but residents must also be educated on how to co-exist with coyotes. Additionally he noted that many coyote dens are located on school district properties and urged the city to reach out to the school district to assist with the funding of the trapper. He wants to make residents aware that there is an active coyote abatement program in place, with most of the activities primarily taking place at night.

City Attorney Sandoval stated that no reportable action was taken during closed session.

City Manager Stiles shared that the City had a recent credit review by Standard and Poor's and the City's underlying credit rating has been upgraded from AA to A+ with a stable outlook. This accomplishment is due to the City Council's approval of various financial policies like the Reserve Policy, 115 Trust, and Internal Service Funds reviews. The increased credit rating will save the city a significant amount money on bond financing for future projects like public safety facilities or water projects. He commended Finance Director, Patricia Song and the Finance Department for their work on establishing this financial roadmap.

At 8:55 p.m., Mayor Jones adjourned the meeting. The next Regular City Council Meeting will be on Tuesday, October 12, 2021, at 5:30 p.m. at the Community Meeting Center, 11300 Stanford Avenue, Garden Grove, California.

In response to Ms. Wang's comments during oral communications regarding her code violation of a fully paved front yard used for tenant parking, Council Member Bui stated that in light of Assembly Bill 3182 and Senate Bill 9 opening the door for an increased number of Accessory Dwelling Units, a review of the City's parking standards are overdue. He motioned to place an item on the next City Council agenda for providing direction to staff to conduct a comprehensive review of the City code on landscaping and parking standards. (F: 75.1)

Council Member Brietigam expressed support, and also concern that the recent changes to state law will increase overall density that will have an impact on neighborhoods. He commented on the need for green space and disagrees with allowing fully paved residential properties.

Council Member O'Neill noted that green space and landscaping allows water to percolate into the soil and mitigates urban water runoff from impervious surfaces such as concrete and asphalt that results in harmful pollutants in the ocean and waterways. He expressed support for a review of the City's code for parking standards that would include Planning Commission recommendations and City Council study sessions.

Mayor Jones commented on the need to address parking for the higher density areas, and the need to prepare for the imminent changes as a result of state legislation. He suggested that he and Council Member Bui conduct preliminary discussions with City staff, and expressed support for a parking study.

Following further City Council discussion, Council Member Brietigam seconded Council Member Bui's motion to bring this matter forward for City Council consideration to direct staff to conduct a comprehensive review of the City code on landscaping and parking standards.

The motion carried by a 6-0-1 vote as follows:

Ayes: (6) Brietigam, O'Neill, D. Nguyen, Bui, K. Nguyen,
Jones

Mayor Pro Tem K. Nguyen announced the Garden Grove Teen Action Collaborative kick-off meeting for local teens aged 13 through 17, with an invitation extended to a parent or guardian, on Thursday, October 21, 2021, from 4:00 p.m. through 5:00 p.m., at the Community Meeting Center. Also coming up is the annual Jack O Lantern Jamboree on Saturday, October 30, 2021, from 1:00 p.m. through 4:00 p.m., at the Atlantis Play Center.

Council Member D. Nguyen wished her son a happy birthday, and expressed appreciation for working with her council colleagues.

Council Member O'Neill commented on attending the October 9, 2021, Brown Descents Car Show and Christmas Toy Drive with Council Member Brietigam that was held at the Orangewood Baptist Church parking lot. He also recognized Toy Drive contributions from James Webb and Care Ambulance.

Council Member Brietigam announced the upcoming 2021 Trek 'n' Treat Wellness Day on October 31, 2021, from 9:00 a.m. to noon with online registration available at <https://2021communitywellnessday.eventbrite.com>. He commented that the Brown Descents Car Show and Christmas Toy Drive raises a lot of money, and the Brown Descents are looking for families that can benefit. He stated that during the recent high winds, a 120 foot tall pine tree fell over that fortunately did not cause personal property damage or injuries. He urged City staff to come up with a better plan to manage these larger trees with a potential risk for injury or death caused by a fallen limb or tree.

City Manager Stiles noted he was reminded by Assistant City Manager, Lisa Kim that the City has received a SCAG grant for curb analysis, and that he would follow up with staff to see if they can incorporate a parking study.

ADJOURNMENT

At 8:10 p.m., Mayor Jones adjourned the meeting. The next Regular City Council Meeting will be held on Tuesday, October 26, 2021, at 5:30 p.m. at the Community Meeting Center, 11300 Stanford Avenue, Garden Grove, California.
