Honorable Mayo, City Councilmembers and GGPD,

On behalf of the West Garden Grove Youth Baseball Executive Board, I am appreciative of the city's continued support of WGGYB and our Opening Day Parade throughout the years. We are beyond grateful for council's vote at last year's meeting for approval to waive the full cost for Police support, rental of the City's showmobile stage, and staff for all future WGGYB Opening Day Parades.

The legacy of Opening Day Parade has been a part of the West Garden Grove community for almost 60 years. It is the official start of our spring baseball season and is an exciting event for new and returning players, coaches, and families. Our league is a 501(c)(3) organization open to all residents of Garden Grove. This year's annual Opening Day Parade with WGGYB and WGGGSL will be Saturday, February 25, 2023.

I would like to invite the Mayor and Councilmembers to attend this event as honored guests. If you are able to participate as a dignitary in our Opening Day Parade, please email Erin Fales at efales.wggyb@gmail.com.

We appreciate everything the City of Garden Grove has done for West Garden Grove Youth Baseball and we look forward to providing many more years of wonderful parades, baseball, and community events to our city.

Dept.: City Manager Dept.: Public Works

Subject: Rejection of all bids received Date: 1/10/2023

for IFB S-1300A for on call paving and authorization to re-advertise the project for receiving bids. (*Action Item*)

#### **OBJECTIVE**

For City Council to reject all bids and authorize re-advertisement for IFB S-1300A – On-Call Asphalt Cold Milling, Trucking, Street Sweeping, and Operator Services for the City of Garden Grove.

#### **BACKGROUND**

The Public Works Department Streets Division solicited bids for a backup contractor to help with the maintenance of city streets, alleyways, and parks parking lots. The contractor was to provide the equipment necessary to work in conjunction with Public Works crews to address deteriorating road needs.

#### DISCUSSION

In September 2022, specifications were prepared and submitted to Planet Bids. In response to the prescribed bidding procedure, one (1) bid was received in November by Hardy and Harper. After opening and reviewing the bid, it was apparent that the price was substantially higher than what staff had anticipated and prices exceeded the budget.

#### FINANCIAL IMPACT

There is no financial impact to the General Fund. Funds are available in the Fiscal Year 2022-23 Capital Improvement Budget and are funded by Gas Tax funds.

#### RECOMMENDATION

It is recommended that the City Council:

• Reject all bids received on Tuesday, November 29, 2022, for IFB S-1300A; and

• Authorize staff to re-advertise the request for bids for On-call Asphalt Cold Milling, Trucking, Street Sweeping, and Operator Services for the City of Garden Grove.

#### INTER-DEPARTMENT MEMORANDUM

To: Scott C. Stiles From: William E. Murray

Dept.: City Manager Dept.: Public Works

Subject: Receive and file Fiscal Year Date: 1/10/2023

2021-22 Development Impact Fee Annual Report.

(Action Item)

#### **OBJECTIVE**

For City Council to receive and file the Fiscal Year 2021-22 Development Impact Fee Annual Report (Report) as required by Government Code Section 66006 (b).

### BACKGROUND

Annually, the City is required to report on the disposition of collected development fees and to provide information related to the use of these fees when funding capital improvements. Pursuant to Government Code Section 66006 (b), this Report must be reviewed by the City Council at a public meeting, not less than fifteen days after this information is made available to the public. The attached Report summarizes the activity in several development impact fee funds, and it pertains to information for Fiscal Year ending June 30, 2022.

Fees that have been deposited with the City for more than five (5) years must be identified and evaluated as required by Government Code Section 66001 (d)(1). The City does not have any funds that were originally deposited in, or prior to, June 30, 2017. First funds received are first funds utilized.

#### DISCUSSION

In general, the City collects development impact fees to offset the impacts of new development projects in the City. These impacts are usually associated with increased demand placed on city facilities due to the additional usage of the facilities. For example, the City collects a drainage fee to improve drainage facilities. As development occurs, more of the city's natural surfaces are replaced with paved surfaces. Paved surfaces do not absorb storm water causing the runoff to go into the public streets. If drainage facilities are not improved, the streets will experience significant flooding that could damage private property.

#### FINANCIAL IMPACT

There is no impact to the General Fund.

# **RECOMMENDATION**

It is recommended that the City Council:

• Receive and file the Fiscal Year 2021-22 Development Impact Fee Annual Report as required by Government Code Section 66006 (b).

# City of Garden Grove Development Impact Fee Annual Report Fiscal Year 2021-2022

The following is a report, which was prepared to comply with California Government Code Section 66006. This section requires an annual disclosure and review of collected development impact fees and expenditures. This review is prepared in compliance with the requirements of the code, and it was prepared with the assistance of the Public Works Department and Finance Department.

Government Code Section 66006(b) requires that within 180 days after the last day of the fiscal year the city shall make available the following information for that given year:

- A. A brief description of the type of fee, included as Section 1.0.
- B. The amount of the fee, included as Section 2.0.
- C. The beginning and ending balances of the fund and fees collected and the interest earned, included as Section 3.0.
- D. An identification of each public improvement on which the fees were expended and the amount of the expenditure on each improvement, including the total percentage of the cost of the public improvement that was funded with fees. This is included as Section 4.0.
- E. An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing of an incomplete public improvement, as identified in paragraph (2) of subdivision (a) of Section 66001, and if the public improvement remains incomplete. This is included as Section 5.0.
- F. A description of each inter-fund transfer or loan made from the account or fund including the public improvement on which the transferred or loaned fees will be expended, and the rate of an inter-fund loan, the date on which the loan will be repaid, and the rate of interest that the account or fund will receive on the loan. No transfers or loans were required or made.
- G. The amount of refunds made pursuant to subdivision (e) of Section 66001 and any allocations pursuant to subdivision (f) of Section 66001. No refunds were required or made.

### Section 1.0. A Brief Description of the Type of Fee in the Account or Fund

#### **Drainage Facilities Fee**

As city lands are developed, hard surface areas (concrete/paving) increase and directly affect flooding citywide. A drainage fee is charged to fund local drainage improvements that are required to reduce the cumulative impact of increased runoff in the city.

#### Transportation Facilities Fee

Development increases the motorist population citywide and the cumulative increase requires constant improvements to meet the demands of the public. The Transportation Facilities Fee is charged to fund projects that relieve traffic congestion either in a specific location or citywide.

#### Water Assessment Fees

The fees reflect the cumulative impact of development on the water infrastructure. Water assessment fees are charged per (1) frontage and (2) acreage. The reasoning is that a property with a large frontage will benefit from additional street exposure, including landscaping and will place a greater burden on the water system as opposed to a similar sized parcel with a smaller sized frontage. The fee for acreage is to account for the increased demand placed on the water system by larger properties in general. Together, these fees fund capital projects that are required in order to meet the water needs of an increased population and to upgrade an aging infrastructure.

#### Parkway Tree Fee

City parkway trees are located throughout the city. The maintenance and care of the city's urban forest is an ongoing task that involves trimming, planting, removal, sucker removal, installation of root barriers, staking, etc. Additionally, hardscape items, such as curb, gutter, and sidewalk, need removal and replacement due to tree root damage. New development often removes mature trees as part of their project. This fee is collected to pay for the capital improvement costs associated with maintaining the city's parkway trees and adjacent hardscape. In this manner, the city's urban forest is maintained at a service level that is consistent with the public's expectations.

#### In Lieu of Parkland Dedication Fee (Quimby Park Fee)

The Quimby Act authorizes the City to require the dedication of parkland or to impose fees for park or recreational purposes as a condition of the approval of a tentative or parcel subdivision map. These fees are used for the purpose of developing new or rehabilitating existing neighborhood or community parks or recreation facilities. This fee is only applied to Subdivision Projects.

#### Mitigation Act Park Fee (Citywide Park Fee)

The City charges a Citywide Park Fee applicable to residential developments consisting of non-subdivisions. Consequently, residential developments not subject to the Quimby Park Fee (above) shall be required to remit a park fee as established by City Council for the purposes of providing citywide parks and recreational facilities.

#### General Plan and Cultural Arts Fee

California State law requires that every jurisdiction adopt a General Plan. Without a valid General Plan, the City can be legally restricted from making land use changes and approving new development projects. The General Plan fee is established as an impact fee to proportionally pay for the cost of the General Plan Element updates which occur every 10-20 years and include direct consultant contractual costs. The Cultural Arts fee is intended to support a variety of cultural influences including public art and improving the community image through physical form.

# In Lieu Of Undergrounding Fee

This fee is collected in lieu of required utility undergrounding at the request of the developer. The fee will be used to underground overhead utility lines in conjunction with the City's Rule 20A program funded through Southern California Edison. This will maximize the city's resources and deliver a more cost effective project.

#### INTER-DEPARTMENT MEMORANDUM

To: Scott C. Stiles From: William E. Murray

Dept.: City Manager Dept.: Public Works

Subject: Approval of payment to Date: 1/10/2023

Southern California Gas Company for Gas Line Relocation for Project CP1286000 – Orangewood Avenue – Dale Street Water

Improvements.

(Cost: \$120,878.39) (Action

Item)

#### **OBJECTIVE**

To recommend that the City Council approve payment to Southern California Gas Company to relocate a gas line as part of Project No. CP1286000 – Orangewood Avenue – Dale Street Water Improvements Project.

#### **BACKGROUND**

On September 27, 2022, City Council awarded a contract with Stephen Doreck Equipment Rentals, Inc. for the construction of Project No. CP1286000 – Orangewood Avenue – Dale Street Water Improvements Project. This Project was categorized as a priority project in the latest Water Master Plan to address fire flow deficiencies. The project consists of upsizing 6-inch water mains to 8 and 12-inch water mains, and installing new fire hydrants.

#### **DISCUSSION**

During the design phase of this project, the consultant and City staff discovered a conflict of utility lines involving a high pressure gas main, a 2-inch gas main, and a sewer and storm drain. It was determined that relocation of the 2-inch gas main was the only alternative that would allow the installation of the new water main in a feasible and safe way. City staff reached out to the Southern California Gas Company on May 17, 2022, to propose the gas line relocation and requested requirements to initiate the gas line relocation process. On November 8, 2022, Southern California Gas Company responded and provided a proposed scope of work and cost estimate. The general contractor's work at this intersection is dependent on the completed work performed by the gas company. Any delay from the gas company will put the

general contractor's work on hold.

The scope of work for the gas relocation includes abandoning the section of the main in conflict, installing 20-feet of 2-inch main at a different elevation and new fittings. Traffic control plans, signs and devices are included in the total cost. This is to ensure safety measures are in place at this heavily trafficked intersection. It is anticipated the construction will be completed within 10 to 15 working days. The total cost for this work is approximately \$120,878.41. Actual costs may vary. To avoid any further delays in completing this priority project to help ensure fire flows are met, Staff is recommending issuing payment to the Southern California Gas Company to make arrangements for the gas line relocation.

#### FINANCIAL IMPACT

There is no impact to the General Fund. This project will be absorbed in the fiscal year 2022-2023 Capital Improvement Budget, and will be financed with Water Enterprise Funds in the amount of \$120,878.39.

#### **RECOMMENDATION**

It is recommended that the City Council:

- Authorize payment in the amount of \$120,878.39 to the Southern California Gas Company for Gas Line Relocation for Project CP1286000 – Orangewood Avenue
   Dale Street Water Improvements.
- Authorize the City's Water Services Manager and/or the Public Works Director to execute Southern California Gas Company's Collectible Work Authorization and all other documents necessary to authorize the work.

#### Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Section 504 of the

Rehabilitation Act of 1973, require recipients of federal financial assistance to give assurances that they will comply with those laws. Taken together, these civil rights laws prohibit recipients of federal financial assistance from DOJ from discriminating in services and employment because of race, color, national origin, religion, disability, sex, and, for grants authorized under the Violence Against Women Act, sexual orientation and gender identity. Recipients are also prohibited from discriminating in services because of age. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with DOJ awards, see https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm.

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entitles, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a nondiscriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOPs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEOP requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5).

The OCR is available to help you and your organization meet the civil rights requirements that are associated with DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to contact the OCR at askOCR@ojp.usdoj.gov.

#### Memorandum Regarding NEPA

**NEPA Letter Type** 

OJP - Ongoing NEPA Compliance Incorporated into Further Developmental Stages

**NEPA Letter** 

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in

office, household, recreational, or education environments; and
e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <a href="https://www.bja.gov/Funding/nepa.html">https://www.bja.gov/Funding/nepa.html</a>.

### County of Orange Report on Grant Applications/Awards

The Grants Report is a condensed list of grant requests by County Agencies/Departments that allows the Board of Supervisors to discuss and approve grant submittals in one motion at a Board meeting. County policy dictates that the Board of Supervisors must approve all grant applications prior to submittal to the grantor. This applies to grants of all amounts, as well as to new grants and those that have been received by the County for many years as part of an ongoing grant. Receipt of grants \$50,000 or less is delegated to the County Executive Officer. Grant awards greater than \$50,000 must be presented to the Board of Supervisors for receipt of funds. This report allows for better tracking of county grant requests, the success rate of our grants, and monitoring of County's grants activities. It also serves to inform Orange County's Sacramento and Washington, D.C. advocates of County grant activities involving the State or Federal Governments.

On October 18, 2022, the Board of Supervisors considered the following actions:

Re: Continuity of Appointee to the OCFA Board of Directors

Dear Mr. Stiles:

As Chair of the Orange County Fire Authority (OCFA) Board of Directors, I am writing to request your assistance in the coming months when OCFA's member agencies make annual appointments of representatives to the Authority's Board.

Presently, each Director serves on the OCFA Board until the selection of a successor by the appointing body. As part of our ongoing efforts to foster effective governance of the OCFA, we would like to retain continuity of the current Director serving on the Board and minimize turnover to the extent possible. With an operating budget approaching half a billion dollars, over 1,500 employees, four labor associations, and the operation of 78 fire stations, the issues we face are myriad and complex. The learning curve is steep to become familiar with the organizational structure, its operations and finances, and the types of policies and issues that come before the Board.

We recognize that turnover is unavoidable when Board appointees are termed-out or when they change as a result of election outcomes. However, as Chair, I'm seeking support from our member agencies to minimize voluntary changes made to our Board appointees such as those that can occur in January when our cities and the County reorganize the leadership of their governing bodies and make a variety of committee appointments.

We would appreciate your assistance in discussing and sharing this with the members of your City Council. If you have any questions, please contact me at (714) 270-4133 or Chief Fennessy at (714) 573-6010.

Sincerely,

Michele Steggell
