MATTERS FROM THE MAYOR, CITY COUNCIL MEMBERS, AND CITY MANAGER

Council Member Brietigam expressed support for public safety and noting false rumors, he assured that the City will be increasing police officer positions for a total of 179 sworn positions.

Council Member O'Neill commented that he hoped everyone had a nice New Year and expressed optimism for 2019. He encouraged using the Garden Grove App for reporting issues. In response to Mr. Raber's concern about RV parking without a city permit, he encouraged communication with neighbors and with the City if there is a problem, and that the City will issue citations.

Council Member T. Nguyen encouraged everyone to help make the City better and take the Park Master Plan Survey available online until February 8th. She also encouraged people to apply as a City Commissioner, and noted the deadline is tomorrow, January 9th. She noted that serving as a commissioner is a good opportunity for civic engagement and to learn about City government. She wished her best friend a Happy Birthday.

Council Member K. Nguyen announced the third annual Orange County Women's March for families and friends of all ages, scheduled on Saturday, January 19, 2019, in downtown Santa Ana. She commented that when she attended the march last year it was an amazing experience to see so many people on the street. She noted that the march will have Folklorico and Native American dancers along the route. She reiterated the deadline for applying as a commissioner and encouraged District 6 residents to contact her with their interest to serve. She also encouraged everyone to take the Park survey, stressing the importance for the Council Members to receive input from the community.

Council Member Klopfenstein announced that neighborhood meetings hosted by Community Services Department to receive community input for the Park Master Plan will be held on February 9th at Bell Intermediate School, and on February 21st at the Community Meeting Center. She reported out information from Vector Control regarding the three different types of the Aedes mosquito, which are a day-

biting mosquito that are black and white and can lay eggs on the calcium buildup in outdoor pots that can be dormant for a year. These three types of mosquitoes are the yellow fever mosquito, Asian tiger mosquito, and Australian backyard mosquito that are capable of transmitting dengue, chikungunya, yellow fever, and Zika. She stressed the importance of best practices by dumping and draining water, covering up when outside by wearing long sleeves and long pants, and use mosquito repellent. More information is available on the Vector Control website, and there will be a PowerPoint posted online in the City Manager's Weekly Memo this week.

Council Member Bui welcomed the Pacifica High School students in the audience and commented that he is happy to see students coming to the meetings to see how the City works. He stated that in about a month he will oversee three hours of daily television programming, and offered a free spot of a half hour a week for the City to provide a forum for issues such as Vector Control and Public Safety.

City Manager Stiles announced the Boys and Girls Club of Garden Grove's upcoming annual art exhibit to be held on Thursday, January 17, 2019, at 6:00 p.m. at the Community Meeting Center.

Mayor Jones stated that he would like to honor two people: Jack Hanshaw, an esteemed member of our Garden Grove community, who was involved with development of the City in the formative years during the 1950's, 60's and 70's, passed away on Christmas Day; and Saimi Hayes, who passed away on Sunday, January 6, 2019. Saimi was a retired 34 year employee with the City who worked for the Police Department and ended her tenure with the City as a supervisor at the Senior Center. She will be remembered for her warmth and smile.
